**A CHALLENGE TO THE VOUCHER ADVOCATES: PERMIT THE RESIDENTS OF EACH SCHOOL DISTRICT AND/OR THE RESIDENTS OF THE STATE VOTE ON THE ISSUE**

No statewide proposal to fund vouchers in any state has ever passed. That is one reason that voucher advocates use euphemisms like backpack bill, scholarships, education savings accounts, and tuition tax credit, instead of vouchers.

A majority of taxpayers are opposed to vouchers, and for good reason. They war against the constitutionally required common school system.
